To: ***All Local 434 Members***

There are a lot of opinions surrounding the COVID - 19 (coronavirus). When it comes to the health and safety of the members of UA Local 434, a better safe than sorry approach is being taken. The Executive Board, Training Department, Business Agents and myself, have made the following decisions:

- All paid related training and night school at all UA Local 434 Training Centers is **canceled** until further notice and will be reevaluated after April 6, 2020.
- The UA Local 434 spring party scheduled for April 4, 2020 has been **postponed** to a later date.
- UA Local 434's April regular/special membership meeting scheduled for April 1, 2020 is **canceled**. Nominations and elections for the Wisconsin Pipe Trades Convention delegates/guests will both take place at the May membership meeting. Members will receive a special notice for that meeting.

Please check UA Local 434's website: [ualocal434.org](http://ualocal434.org) and/or our Facebook pages: [UA Local 434 Plumbers and Steamfitters](#) and [UA Local 434 Training](#), for updates regarding any issues or changes due to COVID - 19.

Thanks you for your patience and understanding as we navigate through the next few weeks. You can be sure we are trying to do what's best for UA Local 434 and our members.

Please feel free to contact us with any concerns. Together we can keep UA Local 434 and their families safe.

Sincerely,

*Todd Bencke*
